Analysis of the Students' feedback of teachers for session 2018-19

The following Inferences have been drawn by IQAC after perusing the feedbacks collected from students about teachers

1. Overall satisfaction level of the students about various teaching –learning parameters = 80%.
2. Level of satisfaction of students with regards to "Teaching Skills" parameter = 72%
3. Level of satisfaction of students with regards to syllabi modification is = 45%

The recommendations by the IQAC

1. It is quite heartening to note that most of the teachers are maintaining the standards of effective and efficient teaching. Further, that a perceptible positive change has taken place in the parameter which had registered a need for improvement in the previous year.
2. Teachers who need some improvement in one or the other parameter shall be informed accordingly by the principal.
3. The teachers need to enhance the teaching skills by shifting to ICT based teaching methodologies
4. 45% of the students are satisfied with the syllabi by this logic 65% want modifications. The teachers need to get more information from the students about the exact nature of the change they desire.

1. Mr. Shayat Dhar
2. Dr. Sonia Khajuria
3. Dr. Alpna Vohra
4. Dr. Shivani Suri Verma
